# FLIGHTWORKS CAPABILITIES

AVIATION SERVICES & SOLUTIONS  
DEDICATED TO GOING ABOVE & BEYOND

## AVIATION ADVISORY SERVICES

**FlightWorks** Advisory Specialists understand the business aviation market. We are familiar with navigating the regulatory and financial processes. We will tailor our service to best meet your needs and maximize your options. Contact **FlightWorks** for your special aviation requirements – we're here to help you expand your horizons.

## CHARTER

### Executive Charter

Enjoy the unrivaled luxury and convenience of **FlightWorks'** private jet charter. Travel is no longer challenging; the time you spend onboard becomes a pleasant addition to your journey. We will manage every detail of your trip – from personalized in-flight catering to hotel accommodations to ground transportation. Itinerary change? We're flexible. Multiple destinations in one day? It's our pleasure. Relax knowing **FlightWorks'** fleet of impressive, executive jets is consistently operated and maintained to the highest safety standards. Fly when you want, where you want. Enjoy visionary service with simple, down-to-earth fares. **FlightWorks** Executive Air Charter – dedication beyond expectation.

### FlightPASS

**FlightWorks** offers high-volume charter customers a special program called FlightPASS (Personalized Aviation Services & Solutions). Simple, cost-effective and flexible. Isn't that how travel should be? Enjoy private jet benefits without the expense and complications of ownership. FlightPASS is a charter membership program that lets you reserve pre-paid charter hours at special rates. Enjoy significant savings and service benefits custom tailored to meet your travel and lifestyle requirements. We're standing by – ready to exceed your expectations.

## AIRCRAFT MANAGEMENT

### FlightWise®

Your asset, **FlightWorks'** expertise. FlightWise® will enhance the benefits and enjoyment of aircraft ownership with services that free you from the day-to-day administrative, regulatory and operational complexities. Enjoy aircraft ownership without the time-consuming responsibilities, and reduce ownership costs as a member of our prestigious charter fleet.

FlightWise® is customized to meet your objectives.

**Security** – ARG/US "Platinum," Wyvern Recommended, DoD Approved, and ISO 9001:2000 certified.

**Service** – Dedicated Owner Service Specialists fulfill your custom tailored management objectives and your service preferences.

**Resource Management** – Operational savings and volume discounts on fuel, insurance, maintenance, crew training and charter revenue streams offset ownership costs.

**Experience** – As an FAA certified domestic and international operator with decades of the safest operating experience, we are a trusted aviation services and solutions provider.

FlightWise® – Comprehensive. Turnkey. Revenue Producing. Complete aircraft management custom tailored to your specifications.

## GOVERNMENT SERVICES

**FlightWorks** is a leading supplier of aviation services to federal, state and local government providing innovative, best-in-class solutions for domestic and international operations. We provide product development, aircraft system integration and modification services to meet mission specifications. In addition, we maintain an extensive fleet with diverse range and payload capacity.

**FlightWorks** utilizes internal and external audits of our safety and business practices to ensure that we are compliant with all regulatory requirements, maintaining the highest safety, maintenance and operational standards. Mission capabilities include:

- Air Charter – Cargo & Personnel
- Emergency Response
- Intelligence, Surveillance & Reconnaissance (ISR)
- Airborne Data Collection
- Asset Acquisition, Modification & Management
- Real-Time Communications
- Operational Security & Protection
- Clearance Levels – Secret: Staff & Key Personnel

Mission Ready. **FlightWorks** is prepared to engage and proud to stand shoulder-to-shoulder with you to achieve mission success.
