

FlightPASS – A New Block Charter Membership Program Takes Off.

April 13, 2007 (Kennesaw, GA) For the client who typically needs more than fifty hours of charter service annually, FlightWorks introduces FlightPASS. This innovative program provides cost saving benefits along with a high level of program customization not readily available in the industry. It's the ultimate travel 'passport' for safe, flexible, cost effective executive charter.

"FlightPASS is the next generation of block charter programs. Our existing block charter agreement continued to grow and evolve with the changing needs and expectations of our clients," says Ron Smith, vice president of business development. "We designed FlightPASS with a simple, easy to understand contract and the most adaptable parameters. It's an outstanding program – simple, flexible, and customized to maximize your savings based on your mission profiles."

FlightPASS provides significant savings benefits and unique customization capabilities. The demand for executive charter services continues to grow, yet it is rare for one client to have similar charter requirements to another client. "We assess the client's needs and make recommendations on structuring a FlightPASS membership to best match their specific needs. Creating innovative and personalized travel solutions helps FlightWorks continue to exceed our customer's expectations," said Ron Smith.

With the experience of a world-class operator, FlightWorks manages and maintains aircraft on a Part 135 Certificate in a manner that exceeds FAA requirements. Independent safety audits and analysis by ARG/US, Wyvern and BSI Group ensure that FlightWorks meets or exceeds industry best practices while continuing to raise the benchmark for quality and service assurance.

You know you can save time utilizing private aviation. FlightPASS enables you to save time, simplify the travel process and cost effectively manage your travel. FlightPASS – the simplest and most economical way to travel on a business jet.

FlightWorks earned NetJet's "Charter Vendor of the Year" award in 2005. The award is based on a company's continued focus on customer service, safety and reliability.

The headquarters office is located at 500 TownPark Lane, Suite 350, Kennesaw, GA. with private, executive terminals in Atlanta, GA, Washington, DC, and Jacksonville, FL. metropolitan areas, as well as additional charter operations throughout the Southeast, Mid-Atlantic, and Central United States.
