**INVITED TO JOIN**  
**Aircraft Owners Invited to Explore Benefits of Joining**  
**a Top Revenue Producing, Charter Managed Fleet**

KENNESAW, GA – FlightWorks is actively adding select aircraft to its diverse, revenue producing fleet. High charter demand in both the Atlanta, GA and Manassas, VA markets (35 minutes outside Washington DC) is driving the need to add business aircraft to the prestigious fleet of executive jets. As one of the nation's leading general aviation companies, FlightWorks features a diverse fleet of aircraft strategically positioned throughout the United States for domestic and international travel.

FlightWorks aircraft owners enjoy the benefits of high charter demand from top Fortune 500 companies, and...

- Fuel Savings of \$1.00 - \$1.85 per gallon nationally, and up to \$3.00 per gallon on home-based fuel through negotiated rates.
- Insurance savings of up to 25% - due to volume and an industry leading safety record.
- Revenue streams in the millions.
- Maintenance savings and peace of mind – full oversight with “in-house” factory-trained technicians.

FlightWorks' fleet of turbine aircraft includes Gulfstreams, Challengers, Falcons, Hawkers, Citations, Beechjets – providing a full complement of Heavy or Long Range Jets; Mid-Size Jets, and Light Jets. In addition, the fleet of more than 37 aircraft includes a Bell 407 helicopter.

FlightWorks aircraft owners enjoy the opportunity to earn substantial charter revenue with the knowledge and security that their aircraft is professionally managed and maintained by a team of experts.

FlightWorks is recognized throughout the industry for exceptional standards and service and a growing client base in both the aircraft charter and aircraft management sectors.

“By having a diverse fleet, we’re able to offer our clients efficient travel options that match their requirements, with all the comforts of executive travel,” said Scott Beale, president of FlightWorks. “Our primary goals of safety and top-drawer client service are always top of mind and our diverse fleet provides the range and capacity choices, plus the aircraft selection our charter clients enjoy. Our owner clients enjoy offsetting their ownership costs through our well-managed, charter revenue programs and significant savings through our volume buying programs. Owners quickly discover how we can provide cost-effective utilization of their asset.”

FlightWorks operates private executive facilities and business jets in major markets across the United States where it offers executive charter, aircraft management and aviation consulting to corporate executives, business owners, high-net-worth individuals and government agencies. The company specializes in on-demand charter with flexible scheduling, uncompromised safety and personalized customer service.

Based on the company’s continued focus on customer service, safety and reliability, FlightWorks has earned nationwide recognition and several awards. FlightWorks highly prioritizes safety, and its efforts have earned the company ARG/US Platinum and Wyvern-recommended status, Department of Defense approval, and it is an ISO 9001:2000 Certified company.

The headquarters office is located at 500 TownPark Lane, Suite 350, Kennesaw, GA. with private, executive terminals in Atlanta, GA, Washington, DC, and Jacksonville, FL. metropolitan areas, as well as additional charter operations throughout the Southeast, Mid-Atlantic, and Central United States.
